## \* Sponsor Invitation or Renewal \*

The Bradford County Trophy Deer and Bear Club is a non-profit organization dedicated to scoring, keeping records of, and bringing to public attention the outstanding deer and bears taken by fair chase in Bradford County each year. As one of the top big game harvest counties in Pennsylvania, and recognized as the state's top trophy producer, Bradford County is rich in deer and bear hunting traditions. To celebrate this pastime, the Club hosts a Big Game Awards Banquet every other year to display the most notable specimens, and acknowledge those hunters who were fortunate enough to tag a trophy-class animal. Our next event takes place at the Troy Fairgrounds on **September 27, 2025**

Many large specimens are taken in Bradford County each year that qualify for the State and National Record Books, and our efforts to score and keep records of these big game animals provides a service to the hunters, a tribute to the animals, and a lasting expression of our hunting heritage.

To secure a Club legacy, the Bradford County Trophy Deer and Bear Club is seeking \$300 sponsorships from individuals or businesses who support our efforts. Sponsorships are for two years from date of signing. ***Benefits include; two tickets to the Big Game Awards Event plus free exhibitor space (if needed), promotion on our website, recognition during the banquet program, hat with Club logo, and the chance to win 1 of 3 firearms.***

I, \_\_\_\_\_ would like to be a Sponsor.
